

Tailored Casting Supply Solutions

The easiest supply chain management with maximum flexibility and minimum total costs!

Lowest total costs and leanest procurement

- ✓ Minimum effort in daily operations → maximum value from supply chain
- ✓ Less inventories and working capital
- ✓ Optimized delivery timing and batch sizes
- ✓ Fast lead time for product development and revising
- ✓ Minimum risk to start applying casting technology
- ✓ Full supply chain service from one single source
- ✓ Suomivalimo has ISO 9001, ISO 14001 and OHSAS 18001 certificates
- ✓ Metallityö Vainio has ISO 9001, ISO 14001 and EN 1090 certificates
